Kitty Dillon Memorial Scholarship Application (\$1000)

With a career in education spanning more than three decades, Kitty positively impacted thousands of students ranging in age from kindergarten through college. Coach Dillon was a long-time basketball coach in the Houston area, who eventually turned to counseling where she worked tirelessly with coaches and athletes to assure their success not only in the classroom, but with the entire scholarship process. She was an active member in numerous professional organizations. She founded the Dillon-Day College Planning Services to help students navigate through the entire college admission process. Kitty's life of service was cut short by a rare and debilitating disease.

Applicant must be a child or grandchild of an active or retired coach from the state of Texas.
